AMERICAN MASTERS

Charley Pride **BHM**

FRI Feb 22 | 9p

Explore the history of the American South and its music through the life of country star Charley Pride. His greatest musical success came in the 1970s, when he became the best-selling performer for RCA Records since Elvis Presley. Pride was raised in segregated Mississippi, and his journey shows the ways that artistic expression can triumph over prejudice and injustice.

Minding the Gap
