Giving Strategies for Uncertain Times

When so many things seem uncertain, but you want to support the programs you love on KCTS 9, consider these ideas.

- Make a gift (or a “grant”) from your donor-advised giving fund. This costs you nothing today!
- When the market is high, it’s a good time to gift long-term appreciated securities directly to KCTS 9 and, depending on your situation, avoid capital gains taxes.
- Earn lifetime income and support KCTS 9 well into the future with a charitable gift annuity. (Applies to U.S. donors only).
- Make a gift for future generations: Name KCTS 9 in your will and join our Legacy Circle.

Building the American Dream

TUE Sep 15 | 10p

Across Texas, an unstoppable construction boom drives urban sprawl and luxury high-rises. Its dirty secret: abuse of immigrant labor, in a state where construction workers face some of the deadliest conditions in the country.

This documentary captures a turning point as a movement forms to fight widespread exploitation of these construction workers. The film follows three families who are rising up to seek justice and equality for immigrant workers. A story of courage, resilience and community, the film reveals shocking truths about the hardworking immigrants who build the American dream – a dream from which they are excluded.
