Saving Notre Dame

WED Nov 25 | 9p

When the roof of Notre-Dame de Paris erupted in flames in April 2019, firefighters battled for nine grueling hours to save the historic cathedral. Still, Paris came perilously close to losing the 800-year-old cultural icon. Now, as engineers rebuild the roof and secure the medieval structure, researchers piece together what happened that fateful day to learn how such a catastrophe can be avoided in the future.

MASTERPIECE THEATRE

Masterpiece: 50 Fabulous Years!

SUN Nov 29 | 8p

This special is a celebration of the iconic PBS series originally called *Masterpiece Theatre* – the riveting stories, fabulous acting and magnificent costumes, and the program's astonishing ability to transport us to another time and place. From *Upstairs, Downstairs* and *I, Claudius* to *The Jewel in the Crown* and *Downton Abbey*, this superb series introduced generations of PBS viewers to the delights of British drama. *Masterpiece Theatre* began its incredible run (50 years and counting) on January 10, 1971, and has become longest-running weekly drama series in American television history.
