## MASTERPIECE

### Atlantic Crossing

SERIES PREMIERE

SUN Apr 4 | 9p

A princess steals the heart of the president of the United States in this epic, eight-part drama series based on the World War II relationship of Franklin Roosevelt and Norwegian Crown Princess Martha. Kyle MacLachlan stars as Roosevelt with Swedish star Sofia Helin as the beautiful Martha, who flees the Nazis with her three young children and lives under Roosevelt's protection.

### Hemingway

A film by Ken Burns and Lynn Novick

MON-WED | Apr 5-7 | 8p

This three-part, six-hour documentary film examines the visionary work and the turbulent life of Ernest Hemingway, one America's greatest and most influential writers. Interweaving his eventful biography – a life lived at the ultimately treacherous nexus of art, fame and celebrity – with carefully selected excerpts from his luminous short stories, novels, and non-fiction, the film allows us to see beyond the façade of the public man and become intimately familiar with this brilliant, ambitious, charismatic and egocentric genius.

## AMERICAN EXPERIENCE

### American Oz

MON Apr 19 | 9p

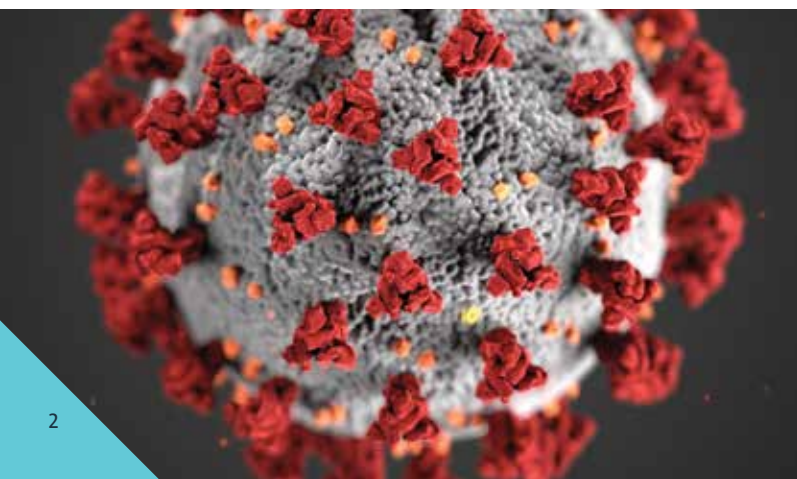

This documentary tells the story of author L. Frank Baum and the making of his classic novel, *The Wonderful Wizard of Oz*, the movie it inspired and the importance of this iconic work in American life. Baum broke new ground in writing for children, rejecting the stereotypes of the era – the formal language and heavy-handed moral lessons that were common in fairy tales – in favor of a lighter, more humanistic approach where characters could be both fallible and good.

## FRONTLINE

### The Virus that Shook the World

MON Apr 26 | 9p and TUE Apr 27 | 10p

This two-part special tells the story of people around the world living through the pandemic, from lockdowns to funerals to protests. Using extensive personal video and local footage, the film shows the differing struggles, beliefs and responses, across cultures, race, faith and privilege.

### Never Too Late: The Doc Severinsen Story

FRI Apr 2 | 9p

After three decades as the colorful bandleader of *The Tonight Show Starring Johnny Carson*, master trumpeter Doc Severinsen – now in his nineties – continues with a full schedule of touring, teaching and performing. Featuring appearances by Questlove, Arturo Sandoval, Chris Botti and many others, this film explores the beloved musician's groundbreaking career.

# what to watch APR 4-10

## My Grandparents' War

SERIES PREMIERE  
SUN Apr 4 | 8p

It has been more than 80 years since the start of World War II, and this series sees leading Hollywood actors undertake a fascinating journey into their family's past by re-tracing the footsteps of their grandparents during the war. The four-part series features the stories of actors Helena Bonham Carter, Mark Rylance, Kristin Scott Thomas and Carey Mulligan.

In the first episode, Helena Bonham Carter relates how her grandfather defied orders by helping Jewish people escape the Holocaust, while her grandmother volunteered as an air-raid warden and campaigned for women's rights.

## That Way Madness Lies...

THU Apr 8 | 1p

Award-winning filmmaker Sandra Luckow unflinchingly turns her camera on her own family as they attempt to navigate the broken mental health system in an effort to save her brother as he descends into madness. Beginning as a testimony of his sanity, his personal cellphone diary ultimately becomes an unfiltered look at the mind of a person with untreated schizophrenia – as well as an indictment of how the system failed him.

### Oliver Sacks: His Own Life

FRI Apr 9 | 9p

This documentary explores the life and work of the legendary neurologist and storyteller, as he shares intimate details of his battles with drug addiction, homophobia, and a medical establishment that accepted his work only decades after the fact. Known for his literary works *Awakenings* and *The Man Who Mistook His Wife for a Hat*, Sacks was a fearless explorer of unknown cognitive worlds who helped redefine our understanding of the brain and mind, the diversity of human experience, and our shared humanity.

PHOTO COURTESY OF BILL HAYES.

### FRONTLINE

#### American Insurrection

TUE Apr 13 | 10p

Over the last three years, *FRONTLINE* has collaborated with *ProPublica* to investigate the rise of extremism in America – from the deadly Charlottesville rally in 2017, to a neo-Nazi group that has actively recruited inside the U.S. military, to the assault on the U.S. Capitol on January 6, 2021. This new documentary explores how far-right groups were emboldened and encouraged by former President Trump, how individuals were radicalized and brought into the political landscape, and what the fears and concerns are going forward.

### Philly D.A

SERIES PREMIERE (EPS 1 and 2)

TUE Apr 20 | 9p

In Philadelphia, radical civil rights attorney Larry Krasner leads a band of activists attempting to end mass incarceration by taking over the agency at its center: the district attorney's office. When Krasner unexpectedly wins the election and becomes D.A., he begins an unprecedented criminal justice experiment. But can outsiders reform a system from within? This compelling eight-part series looks for answers.

## 22 THURSDAY

### National Theatre: Romeo and Juliet FRI Apr 23 | 9p

Two young lovers strive to transcend a world of violence and corruption in modern Italy where religious and secular values clash. Filmed at the National Theatre and specifically staged for the camera, this new interpretation of Shakespeare's tragedy is a timely reminder of the power of true love.

Directed by Simon Godwin, Artistic Director of the Shakespeare Theatre Company in Washington D.C., the production stars Josh O'Connor (*The Crown*, *The Durrells in Corfu*) and Jessie Buckley (*Fargo*, *Chernobyl*) as Shakespeare's immortal star-crossed lovers.

## Greta Thunberg: A Year to Save the Planet

**EARTH DAY SPECIAL**  
THU Apr 22 | 8p

Teen environmental activist Greta Thunberg is on a mission to save the planet. She is asking every one of us to act in order to slow the climate change that is threatening our way of life. The message is clear, and scientists agree: We need to keep global temperature rise below 1.5 degrees in order to help our species avoid a catastrophic future. This revealing program, which will be broadcast worldwide, follows Greta as she steps from behind the podium and onto the front lines.

## NATURE

### **The Leopard Legacy** | Apr 14 | 8p

Follow the story of a powerful leopardess who rules over an exceptionally large area along Zambia's Luangwa River. She has just given birth to two tiny cubs, and as she faces the challenging task of motherhood, it is a constant battle to hunt successfully, to defend her prime territory and to protect her cubs against her enemies.

### **Sharks of Hawaii** | Apr 21 | 8p

Under the waves and tropical sun, each of Hawaii's volcanic islands host a unique ocean landscape teeming with biodiversity. But one predator reigns supreme – the shark. With nearly 40 species of shark calling these warm waters home, scientists are seeing new animal behavior around every corner.

## NOVA

### **Picture a Scientist** | Apr 14 | 9p

From cramped laboratories to spectacular field stations, women scientists provide new perspectives on how to make science itself more diverse, equitable and open to all.

### **Reef Rescue** | Apr 21 | 9p

As climate change warms the oceans, coral reefs are dying. To address this crisis, scientists are scrambling to find new ways to save the reefs using a technique called assisted evolution.

### **Fighting for Fertility** | Apr 28 | 9p

*NOVA* explores barriers to fertility – from the social to the biological – and the state of assisted reproductive technologies today.
