Bears of Durango

WED Aug 11 | 7p

A dynamic team of wildlife researchers is tasked with conducting a black bear study in Durango, Colorado. In response to an exponential increase in black bear-human conflicts — including bears breaking into cars and homes and cubs getting trapped in garages — Colorado Parks and Wildlife commissions a six-year study to determine the factors behind the statewide trend, and to propose solutions to quell it.

Remembering 9/11

20th Anniversary

TUESDAYS | Aug 10 & 31 | 9p

This year marks 20 years since 9/11 forever altered American life. In honor of this anniversary, we're programming two new documentaries this month. *FRONTLINE* premieres "In the Shadow of 9/11" on August 10. This film tells the story of the so-called Liberty City Seven — a group of young Black men accused of assisting Al Qaeda in a plot to blow up U.S. buildings.

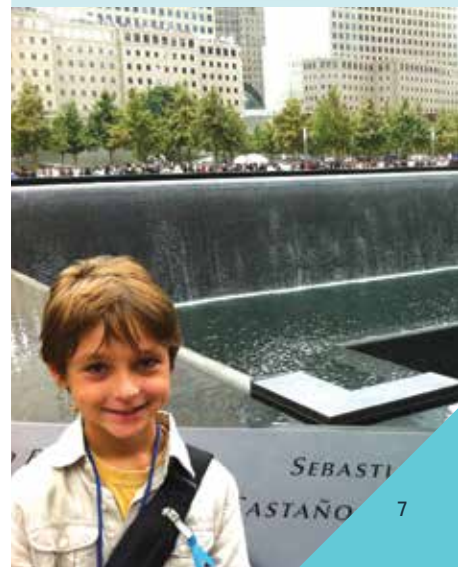

Generation 9/11, airing August 31, follows the children born to fathers who perished in the disaster. An estimated 108 unborn children lost their fathers in the attacks. This film follows this group of teenagers.

Crosscut Escapes Podcast

SEASON 2
WEDNESDAYS

Season Two of Crosscut's episodic adventure podcast explores the natural wonders that make the Pacific Northwest such an exhilarating place to live. This season will feature local scientists and experts as tour guides, revealing, through their stories and remarkable field recordings, our rapidly changing world.

Every Wednesday, the podcast will explore new topics close to our Pacific Northwestern hearts. Discover the joys of birding (birding skeptics welcome), learn about the science of Sasquatch (yes, "science"), master the art of mushroom hunting (there's a fine line between delicious and deadly) and listen weekly for more "Escapes."
