Royal Flying Doctor Service

SERIES PREMIERE

THU Nov 11 | 10p

Royal Flying Doctor Service is a compelling Australian drama series inspired by the real service of the same name, which transports patients from Australia's remotest places despite emergencies that race against the clock and occur in hostile environments. Coppélia!

FRI Nov 26 | 9p

Coppélia! made its debut as a comic ballet in 1870, telling the story of an eccentric toymaker named Doctor Coppélius who invents a life-size dancing doll. This time, Doctor Coppélius is a sinister plastic surgeon whose quest to build the perfect robot woman threatens the romance — and the lives — of a young couple who falls under his spell. A modern fairy tale for the whole family, this new interpretation features an innovative blend of live-action ballet with 2D and 3D animation. Michaela DePrince stars.

NATURE

WEDNESDAYS | 8p

In arid regions across Africa, the waterhole is central to everyone's life. It is where animals visit to drink. But there is an entire community of creatures who call the waterhole "home," many of whom live at an elephant's toenail height. "The Elephant and the Termite" premieres November 3.

In this two-part series, beginning November 10, journey deep into the wild heart of North America's Rocky Mountains and experience this rugged land as never seen before. "Born in the Rockies" follows the lives of the courageous animal families struggling to survive in one of the most challenging habitats on Earth.
