AMERICAN MASTERS

Joe Papp in Five Acts

FRI Jun 3 | 9p

Enter the world of Joe Papp, New York's indomitable, street-wise champion of the arts. As founder of The Public Theater, Free Shakespeare in the Park and producer of groundbreaking plays like *Hair*, *A Chorus Line* and *for colored girls*, Papp recognized the role art could play in building a more democratic, inclusive society. A tireless fighter for the arts, he believed great art is for everyone. The story of Papp's accomplishments and his own often tumultuous personal history is told by the artists he helped create — and, in some cases, tried to destroy — including Meryl Streep, James Earl Jones, Martin Sheen, Christopher Walken, Larry Kramer, Ntozake Shange and George C. Wolfe, among others.

Hotel Portofino

SERIES PREMIERE

SUN Jun 19 | 8p

Set in the breathtakingly beautiful resort town of Portofino, this series is one of personal awakening in the aftermath of World War I and of the liberating influence of Italy's enchanting culture, climate and cuisine on British "innocents abroad." Based on the novel by J. P. O'Connell, *Hotel Portofino* tells the story of the Ainsworth family, that has relocated from Britain to open an upscale hotel on the Italian coastline.

MASTERPIECE

Endeavour

SEASON PREMIERE

SUN Jun 19 | 9p

Shaun Evans reprises his role as DS Endeavour Morse, alongside Roger Allam as DCI Fred Thursday. In 1971, our heroes investigate suspected IRA retaliations, the murder of a local cab driver and the peculiar killing of a college fellow, which results in putting one of their own in imminent danger. As Endeavour shows signs of a struggle with his inner demons, the team wonders if he is beyond the point of no return.

Black Arts Legacies

SERIES PREMIERE
THURSDAYS | 8:50p

The contributions of Black artists to the cultural landscape of the Seattle area are longstanding, vital and ongoing. The works of these artists — in literature, music, visual arts and performance — are worthy of recognition and examination, which is why Crosscut is launching *Black Arts Legacies*, a multimedia experience that seeks to increase awareness of the role Black artists have played and continue to play in the Northwest cultural landscape. As part of *Black Arts Legacies*, KCTS 9 will be airing five short documentaries throughout June. Every Thursday, a new episode will focus on a different artistic discipline and will feature a pair of artists who have elevated the form and cleared the way for future artists to build on their legacies.
