The Boleyns: A Scandalous Family

SERIES PREMIERE

SUN Aug 28 | 8p

For the first time, discover the unique perspective of Anne Boleyn's family. Using 16th-century original sources we get to hear the Boleyns in their own words. It is a thrilling story of love, sex, betrayal and obsession played out in a Tudor court rife with gossip, backstabbing rivalries and intrigue. This three-part series is brought to life through dramatic reconstruction and the inside view of some of the world's leading Tudor experts. This is an intimate look at a family who did what no other Tudor family had done before them, changing the fate of a nation for the promise of a crown. We see how the Boleyn legacy lived on through Anne's daughter, Elizabeth, the greatest Tudor Queen and a Boleyn.

The U.S. and the Holocaust: A Film by Ken Burns, Lynn Novick & Sarah Botstein

Coming Soon
SUN Sep 18 | 8p

Ken Burns' *The U.S. and the Holocaust* examines America's response to one of the greatest humanitarian crises of the 20th century. Americans consider themselves a "nation of immigrants," but as the catastrophe of the Holocaust unfolded in Europe, the United States proved unwilling to open its doors to more than a fraction of the hundreds of thousands of desperate people seeking refuge.

Through riveting firsthand testimony of witnesses and survivors, this three-part series delves deeply into the tragic human consequences of public indifference and bureaucratic red tape. *The U.S. and the Holocaust* tackles a range of questions that remain essential to our society today, including how racism influences policies related to immigration and refugees, as well as how governments and people respond to the rise of authoritarian states and conflicts with one another.

On Broadway

SUN Aug 21 | 9p

For anyone who loves theater, this contemporary history of Broadway is pure joy. As audiences return to live theater, an all-star cast tells the inside story of the last time Broadway came back from the brink. *On Broadway* shows how this revival helped save New York City, thanks to innovative work, new attention to inclusion and the sometimes uneasy balance between art and commerce. Interviews with legends of the stage and screen — including Ian McKellen, Hugh Jackman, Helen Mirren, Christine Baranski, Viola Davis and more — take viewers behind the scenes of Broadway's most groundbreaking and beloved shows.
