I Didn't See You There

MON Jan 9 | 10p

Shot from the director's physical perspective — mounted to his wheelchair or handheld — "I Didn't See You There" serves as a clear rebuke to the norm of disabled people being seen and not heard.

Fight the Power: How Hip Hop Changed the World

SERIES PREMIERE

TUE Jan 31 | 9p

Featuring firsthand accounts from some of rap's most integral players, this series recounts the origins of this bold and revolutionary art form through the voices of those who were there at the beginning, creating an anthology of how hip hop became a cultural phenomenon against the backdrop of American history. Weaving together interconnected moments via intimate interviews and archival footage, the docuseries will explore how hip hop quickly created a provocative narrative of America.
