Breathtaking animations and science experts reveal how the primordial inferno evolved in this five-part series.

Secrets of the Dead

New episodes this month!

WEDNESDAYS | 10p

In 2014, in Turkey, a normal survey flight over Lake Iznik unexpectedly reveals the sunken remains of a fourth-century basilica. The discovery prompts scientists to probe the elusive history and geology behind the demise of the church that was built in ancient Nicaea — now known as Iznik.

When was the basilica destroyed? How did the basilica get swallowed up by Lake Iznik? And what happened to its community? Spanning the globe, this investigation follows a world-renowned team during their underwater excavation. Thanks to exclusive access to the site, including critical aerial and underwater cinematography, and spectacular CGI, we can time-travel back to the Roman and Byzantine eras on October 11 with the episode “The Sunken Basilica.”

And there's more! Catch new episodes of *Secrets of the Dead* “Jurassic Fortunes” on October 18 and “Eiffel's Race to the Top” on October 25.

Cascade Public Media welcomes Rachel Belle and her podcast *Your Last Meal*

Fresh-baked chocolate chip cookies, Mom's meatloaf, the most expensive thing on the menu ... Have you ever wondered about your last meal? Rachel Belle has. In fact, she even started a podcast about it, *Your Last Meal with Rachel Belle* — which Belle promises “is not morbid! Not even a little bit!”

Belle's entire catalog of interviews — with celebrities ranging from Greta Gerwig to Bill Nye to Larry David, just to name a few — is now available on Crosscut.com! You can stream her full catalog of 100+ episodes and listen to new interviews, coming out every other Thursday. In each episode, Belle chats with her guests about cooking, favorite dishes, food memories and, you guessed it, their last meal. AMERICAN EXPERIENCE

War on Disco

MON Oct 30 | 9p

In the 1970s, disco dominated American pop music. Disco's roots lay in the urban subculture, and the artists who created it were largely African American and Latino. In the gay dance clubs where it flourished, disco was much more than music – it was an expression of pride. To others, disco was anathema. On July 12, 1979, the Chicago White Sox held a “death to disco” rally. The “Disco Demolition” event turned violent.
