AMERICAN EXPERIENCE

The American Vice President TUE OCT 1 | 9p

What happens when the president is unable to serve due to death or incapacity? *The American Vice President* tells the little-known story of the second-highest office in the land, tracing its evolution from a constitutional afterthought to a position of political consequence. Focusing on the fraught period between 1963 and 1974, the film examines the passage and first uses of the 25th Amendment and offers a fresh perspective on succession in the executive branch.
